## Phytomer

Phytomer were pioneers at discovering that seaweeds and sea algae contains all the identical 106 minerals and vitamins essential to our beauty and well-being. Their skin care is ideal for even the most sensitive skin, combining total equilibrium of mind, body and soul with 100% natural, safe and highly effective skincare.

## Styx Natural Cosmetics

The ultimate goal of STYX natural cosmetics is to harmonize body, soul and spirit by capturing the wonderful treasures of nature to enhance and keep the beauty of your body.

## Nail Selection

Nail design, nail extensions, nail strengthening, and toe nail design
